

7 and 8 grade

The seventh and eighth grade program uses the "*Call to Faith*" series from "Our Sunday Visitor".

Seventh grade focuses on our relationship with Jesus who shows us how to live and reach our full potential as God's children.

Eighth grade looks at the Church as seen:

- in the universal Church, guided by the Holy Spirit, which teaches the truth of Christ and
- in the Christian family (the domestic church), that has a special role in the establishment of God's kingdom
